IOWA STATE TEACHERS COLLEGE

The title "Iowa State Normal School" was used as the name of this educational institution from September 6, 1876, to July 4, 1909. The title "Iowa State Teachers College" was conferred in 1909 by the Thirty-third General Assembly. The descriptive title of "the normal school at Cedar Falls" is yet a part of the Code of Iowa, and, hence, the institution has a right to both appellations.

The board of management was designated as "The Board of Directors" from 1876 to 1897, as "The Board of Trustees" from 1897 to 1909 and "The State Board of Education" since 1909.

In this Bulletin the living graduates are given in an alphabetic list. Where the address is not known the space is left blank. Following this is a list of deceased graduates.

It is to be expected that errors would be made in the editing of this bulletin and, hence, we ask everyone who can give corrections to do so without delay. A copy of this publication has been mailed to all graduates whose addresses are known.

HOMER H. SEERLEY, President.
